Model **VRT400HDS** Vertical Masticating Juicer

Model **VRT400HDS** Vertical Masticating Juicer

The Omega VRT400HDS Juicer is Omega's newest single auger Heavy Duty juicer. Its low speed of 80 RPMs results in minimal heat build up and oxidation promoting healthy enzymes and longer lasting juices. Designed and engineered for health conscious individuals who want a greater variety in their daily juicing routine, the VRT 400HD has the ability to juice everything from wheat grass, leafy greens, fruits and vegetables. It can excel at making nut milks due to the all-new juice tap. In our tests it is the most efficient single auger style juicer to date!
